At present he has no use of his handwhatever and he will no doubt be in 5 what it may 'e, ask him for it and ihelpless condition for some time.

From a private dispatch from Chreago to-day the indications are favorable for the nominations of Allison and Harri on or Alger and Harrison. The presen status points to either one or the other to-night, however, may change all this. The various delegations are carefully conferring to-day in order to ascertain which candidate most fully represents the principles laid down in the platform under consideration. Perfect harmon

be waived for the success of the party. The Good Templars of this city have set apart one evening during each month to hold an open meeting. This is for the benefit of the public. The regular order of business is gone through with, members are all in regalia and a literary and musical programme is the interesting feature of the occasion. This evening the opening meet ing for June will be held at the G. A. R. Hall The meeting will open promptly at 7:30. An interesting literary programme has been arranged so that the occasion will be one well worth enjoy-ing. The public is cordially invited.

The Tueson Star has been forced to admit that Reavis paid it for publishing matter that was "writ" to help the Baron rob Arizonians of their hard-earped homes, So, the Courier's charge is true, according to the shameless statement of the person who says he is editor of the Star, and we want people who reside on the "grant" to make a note of this confession of one who should have been their defender instead of their beof the Star, and we want people who rebeen their defender instead of their betrayer. Taking money from a would be land priste like Resvis was an awful sin against the people of Arizona. Hughes, of the Tueson Star, did that very thing and may God have merey on his correct carcass for having done so. But, then, the base act was in keeping with all of his other acts, including his efforts to betray the Democracy, to blackmail Gov Zulick, U. S. Marshal Meade, ex-Delecate Oury and other gentlemen.-Cour-

t nued off rings, not expecting so much had are of daily convrence in this housecopperstill to remain in the hands of hold, and yesterday was not only the

> This is how it happened. The heat of ful evening, likewise the political contest between man and wife, and peace being ed up his family and spent the evening in their midst, discuss og the benefits of the newly-organized Loan Association and the status to society a membership of the Blue Ribbon organization gives o the fallen; and thus all would have gentleman who very much resembles the the globel mental qualifications, and his ritter and A man of letters—fully half of themignorance of this later resemblance ofter leads him into a di-cuasion from which he is seldom able to extricate himself without being reminded of his close

relationship to the aforesaid native of Old Jerusalem. He simply said: "Who be nominated to-morrow?" Im mediately the lady of the house procosed Blaine, and, in an undertone, remarked that any one of the other repubican candidates were strong enough defeat Cleveland, thereby causing the emocratic husband to remark that the "nomination of a burro would be of jusas much benefit to the nation as her svorite." Things became interesting and the "lodger" deemed it advisable to retire, which he did in short order, bu not before a piece of stovewood but passed in close proximity to his head.

the destination of which, evidently, was

the democratic body, Sometime this morning, say 2 o'clock. the back yard of this political househol was visited by "some cats," and they succeeded in their efforts to arouse the family circle. With a war-whoop the bandans man sprang from his cot, and wore by the ears of the mula that if his better half did not quell her politics tongue during the hours intended for slumber, he would annihilate the entire convention. This false accusation naturally aroused the ire of his wife, and she so far forgot berself as to insignate that the veracity of a democrat was below par, and that he was no exception to the

rule. This the poor man resented as best he could, the final termination of which found him in the back yard in his seant, shrunken nether garments, the very picture of despair. While thus meandering his own premises, with the door looked between him and "the bosom of his family," he gave full ven-to his feelings, and thereby caused the feline occupants of his back premises he tongue of that "infernal new lodger." His soul thought now was revenge, acc seizing a club with a piece of scythe appended therete, he swooped down or one old tom eat with a vim deserving o earthly oareer. After the oustomary

icty of his republican adversary, and peace now reigns supreme. We frequently bear it stated that there s a scarcely of industrious and capable young men in our mids'. That is, the . s a greate demand for the services of the warning and left. such men than there are applicants to ofil the pinces. Our observation has princed us of the truth of this saying . It is true that go where you may, you will find young men out of and seeking employment, but it is equally true that

ot one of such as we have described used remain a day idle if he will go to work for such wages and at such kind of work as may be offered him. It is curther true that if he possesses the cant his wages may be in the start, they will be increased in proportion to the service he renders his employer. Beides, he will soon be known and appreciated by all the neighbors around, and others will only be too surious to secure the services of one who has proved utmself a valuable servant. Many young men may have the necessary qualifications but before they are known or have been tried they insist upon receiving the highest wages, and must have just such employment as suits

their fancy. Many such may look in vain for emyloyment and never get it. Some think they must have an easy place where their hair oan be kept sleek and parted in the middle, and their clothes neat and in proper order. Few of this kind ever amount to much, becanse it requires labor to harden the muscles and make a strong and vigorous brain and will to stein the battle of

There is another class who think it manly to gamble and drink and spend their time riotously. But no safe business man ever has any use for such, and if they are employed they are pretty

sure to prove unprofitable. Every sober, honest and industrious young man has it within himself the ower to do almost anything he pleases, if he will go to work at the first thing he can get to do, and however humble and poorly paid the employment, strive with all the energy he possesses to do his work well. He need not fear that he will the smount, \$5,000—Emmitsburg (Md.) and degenerate sons of an ancient au-chronicle, May 26.

By request Ray. Mr. Cole made som

very pleasing and appropriate remarks to the pupils, in which he showed the peressity of childrens close application o duty in order to be prepared and dited for such avocations in life toat could present them-elves. Prof W. W. Gills the then briefly addressed the obildren expressing his deight with the way in which they had

Also, expressing bits self as well pleased 45 the interest m nifsted by the parents with their presence, One interesting feature of the occa sion was the Memory Gems from favor-

'e authors, recited in concert by the In appounding the Memory Gem, eptitled "Little Brown Hands" Miss Zieger remarked that the po-m was written by Mary H. Kront, of Ceaufordsville, Skin entirely gone. Flesh a mass of discease Indiana, ten years ago, when the author is the most beautiful and excressive ver penned in the English language and should find a place throughout the length and breadth of America wherever the dignity of labor is recognized.

awful sore leg from my lines down to my arkle the skir was entirely gone, and the flesh was one mass of disease. Some physicians propounced incurable. It had diminished about one third the

All present joined in expressing themselves as well pleased with the manner in which they were entertained.

West Point Nicknames.

(From the New York Hernid.)

It's only on the rolls and in official conversation that the West Point cadets are known by their right names. When talking among themselves nicknames because the result was as follow: After three days I noticed a decided change for the three days I noticed a decided change for the chiral that been expressed for over a year jet own. The desh begin to grow and to day, and for result two years past, my legis as well as ever the disease to be seen.

E. G. AhERN, Dubois, Dodge Co., Ga. salking among themselves nicknames only are used. Of course the custom is indulged in by all college students, but lowhere is it so universal as at West Point. The nicknames selected invaria-

I have been a terrable sufferer for years from discusses of the skin and blood and have been blared to shan public places by reason of my dis-facering humors, cave had the best of physicians and spent hundreds of dollars, but got no relief bly refer to some peculiarity of the eadet, either physical or mental.

For the benealt of ourious outsiders and admiring relatives' who may be ignormal on the subject, here are some of the first class formal and some of the subject class the names of the first class, formal and

informal. Ryan-"Paddy." Vanca-"Vanus." Hayden-"Fresh." Palmer-"Rabbi." March-"Toughy." Winn-"Lengthy. Russ- Carri Hartman-"Dude." Foster-"Jessin," Hedekin-"Mick." McAndiew-"Dad." Wilson-"Flatins," Harris-' Little Go'den Hair."

Withelm-"Pretty," Anderson-"Zop" McFarland-"Mrs. Brady." Featon-"Z-no." Quay-"Babe." Overton-"Fannie." Butler-"Capby." Perry Bal." Horne-"General,"

Littebrant-"Madame." Advertised Letters

### Operations at the mine and smelting works of the Old Dominion Copper Company, continue with most satisfactory results. Connections will be effected between the mine and Interloper Shopping by Mail

THERE CAN NO LONGER BE ANY doubt that Shopping by Mail is profitable. Thousands throughout the United States are doing it to their benefit and satisfaction, and the list continues to swell. Our faci-iti-s for handling this class of trade are unequalled by any house west of the Mississippi. An entire floor of our mammoth three-story building is devoted solely to this department, and we have spared no effort to the end that out of town customers might have the

#### s man of reputed administrative ability bo is already engaged with the weig tepartment as well as citizens will feel

We possess unequalled advantages in buying, because we deal direct with the manufacturers. Being one of HALE'S Seven California Stores, we thereby obtain advantages in values which result from buying in large quantities, for it mu-t be seen that the quantity of goods which these stores consume, in the aggregate, is enormous.
